at Passavant Community

***Relax, play, learn, socialize and just enjoy life.  
It's easy when you live in our cottages.***

You'll adore the natural light that shines through the windows of these single-story floorplans when you reside in one of our cottages.

One or two bedroom options, quaint patios and furnished kitchens are just some of the many other features that draw you into this maintenance-free home.

When you aren't nestled up indoors with a good book, or out being a lifestyle enthusiast, you can take a walk over to our campus for more dining, social hours and fun. In-town living offers even more adventure with delightful eateries and attractions.
