

## Ways to Give: Charitable Gifts and Matching Gifts

*Your gift can make a significant contribution toward helping seniors live a more Abundant Life® regardless of their physical or financial circumstances.*

### Charitable Gifts:

Charitable gifts are frequently made in the form of cash by credit card or check. With gifts of cash, you may be able to reduce or eliminate your federal tax liability up to half of your adjusted gross income (AGI) if you itemize your tax deductions.

Checks should be made payable to:

Lutheran SeniorLife Foundation  
105 Burgess Drive  
Zelienople, PA 16063

### Matching Gifts:

Many businesses will match charitable gifts made by current employees (and in some cases retirees) to non-profit organizations such as the Lutheran SeniorLife Foundation.

Procedures vary with each company. Typically, individuals must complete their employer's matching gift form or online matching gift process. Please contact your employer's Human Resource Department for details and guidelines.
