

## Ways to Give: Tribute and Memorial Gifts

*Your gift can make a significant contribution toward helping seniors live a more Abundant Life® regardless of their physical or financial circumstances.*

A gift in honor or memory of a loved one or dear friend is a way to acknowledge your relationship and support what is of special significance.

Include a note with your gift naming who you wish to honor and who should be notified of the donation. The Lutheran SeniorLife Foundation will inform the honoree or inform the family of the person to be memorialized.

Checks should be made payable to:
