

Passavant Community and School Projects
105 Burgess Drive
Zelienople, PA 16063

Students seeking school projects ideas and sites are welcome to support our residents through the avenues listed below.

Collection Projects

Select a collection project and collect items needed or enjoyed by our Personal Care and Nursing residents. Projects include bingo prizes, craft supplies, admission bag items, and more. For a complete listing of collection projects and the items needed, please contact us prior to beginning your collection to be sure your items are a good fit for our residents.

Onetime Events

Provide a concert, play, presentation, game day, social event or other event you may want to offer

These can be arranged in our Scholl Conference, Fitness Center or Newhaven Court Community Room but dates need to be booked in advance to secure any of these spaces due to their heavy use. Weekends are preferable. Some evenings may be available.

The student's parent may need to be present with the student during the onetime event, if the student is under 18 and no Child Line Cleared staff is available to ensure that the child has acceptable supervision in accordance with PA state law.

Community Service

Musicians

Individual musicians may play on a weekly basis for community service hours in our Newhaven Court lobby as residents travel to and from their dining room. Play Monday, Tuesday or Friday any time between the hours of 4 - 6. Weekends may be available provided the student's parent/guardian is present if the student is under 18 years of age. Brief application and parental permission form are required prior to service.

Chapel Escort: Serve every other Sunday, 9:45-12:15. Assist residents in wheelchairs to and from our chapel and visit residents in our short term stay area while waiting for chapel service to dismiss. Must be 18, dependable, and able to complete volunteer application, TB testing and orientation requirements before serving.
