Advanced Care Center of Butler Visitor Protocols

May 13, 2022

Due to the most recent COVID transmission rate increases, the Advanced Care Center of Butler would like to re-emphasize the importance of following the visitation protocols as follows:

Please try to visit around scheduled mealtimes which are:
7:30 am-8:45 am 11:45 am-1:00 pm 5:30 pm-6:45 pm

Visitors should arrive at the Main Entrance and must be screened prior to entry into the facility.

Visitors who have a positive viral test for COVID-19, symptoms of COVID-19, or currently meet the criteria for quarantine, should not enter the facility.

● Please adhere to the following Core Principles of COVID-19 Infection Prevention:

Hand hygiene (use of alcohol-based hand rub is preferred)

Face covering or mask (covering mouth and nose)

Maintain 6 feet of physical distance

**** Visitors who are unable to adhere to the core principles of COVID-19 infection prevention will not be permitted to visit or will be asked to leave* ***

All visitors are asked to go directly to the resident's room upon arrival and remain there. If in a semiprivate room, the chapel can be used for visits. If a resident and all of their visitors are fully vaccinated and the resident is not moderately or severely immunocompromised, they may choose not to wear face coverings or masks while in resident's room and to have physical contact. Visitors should wear face coverings or masks when around other residents or healthcare personnel, regardless of vaccination status.

Thank You for Your Cooperation and Understanding

Advanced Care Center of Butler

ATTENTION VISITORS

Visitors should not visit if they have any of the following:

- Diagnosis of COVID-19 in the prior 10 days
- Symptoms of COVID-19
- Fever of 100.0 degrees F or higher or report feeling feverish
- Close contact to someone with COVID-19 during the prior 10 days
- Undergoing evaluation for COVID-19 (such as a pending viral test) due to exposure or close contact to a person with COVID-19

Please inform the Advanced Care Center of Butler at (724) 431-3300 if you develop fever or symptoms consistent with COVID-19 within 10 days of visiting the facility

Thank You
